

# Incorrect Covid Hours

Authors: Lily Lamb, Matthew Kirk, Kevin Le, Aaron King

## Problem Statement:

Working men and women are frustrated that they are unable to find accurate information about store changes due to the coronavirus. Our solution will provide a place where people can find the most accurate and up to date information about any changes to their favorite retailers.

## Who is experiencing the problem:

People who work later jobs.

## What is the problem:

Information on the internet is not accurate due to changes made from covid.

## Where does the problem present itself:

When people get off work and need to go shopping but stores close early because of the pandemic.

## Why does it matter:

People still want to live semi-normal lives and should be able to provide financially for their families and still go to the store, without interference.
